

JERSEY EXPLOSION KILLS THREE GIRLS; 20 PERSONS HURT

Seventeen Young Women
Badly Burned, Some
Likely to Die.

Three young women, munition workers, Rose Rogers of No. 165 Jackson Avenue, Mrs. Sadie Quist, of No. 24 Virginia Avenue, and Eleanor Wardell of No. 408 Woodlawn Avenue, Jersey City, died to-day of burns received in an accidental flare-up of the materials on the table at which they were working in E. J. Butler's factory on West Side Avenue, at the foot of Fulton Street, Jersey City, where a Russian cap contract is being filled.

Seventeen other girls and two men were also badly burned. It is feared that several other victims may die. Most of the victims are: Marie Pirie, sixteen, No. 235 Bergen Avenue, Jersey City; Julia Dahlen, nineteen,

URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a glass of Salts if your
Back hurts or Bladder
bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat furnishes uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out of the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then be in a flash every pipe went up with a puff, spreading flame in the faces of the workers. The hair and clothing of the girls were set on fire and the fire back on the floor in agony. The conclusion, however, was not sufficient to break the windows of the building.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.—Advt.

Says Fat People Now Rejoice

Testimony Proves Arbolone Safe,
Sure Reducer.
Enjoys Wide Sale Amongst Educated Wealthy Set.

The physician who originated the Anti-Fat treatment known to physicians and druggists as "the grain tablets Arbolone" is being praised and thanked by scores of women in the class known as "society devotees."

A literary woman in Los Angeles, being so highly elated over her success in reducing, has written a clever little poem, which recites the facts and expresses deep gratitude as well. To safely and surely reduce from 20 to 60 pounds is easily accomplished when tablets Arbolone are used regularly. They are not drastic or dangerous, used as directed, but simply and surely dissolve the fat elements and eliminate them from the system. Also, they remove the craving for such foods as are not desirable for fat folks to use. Herein, Arbolone is superior to all other anti-fat medicines, as it automatically overcomes the abnormal, perverted desire for such foods. Sold by all druggists in sealed tubes with full directions.—Advt.

Says Thick Sluggish Blood Should Be Purified

A Greasy, Pimply Skin, a Foul
Odor to Perspiration, Boils and
Aches and Pains All Banished
by Sulphur Tablets. Like
Grandma's Remedy for Spring.

Take these tablets made of sulphur, cream of tartar, calcium sulphide and extracts of rare herbs and take regularly for a month or so and you can drive the poisons out of your system. Sulphur Tablets are wonderful to overcome constipation, sluggish liver and kidneys and they quickly start all the eliminative organs working. They "flush the system," as it were, and you will feel their fine effects all through spring and summer. Headaches, catarrhs, neuralgia, rheumatic pain, constipation and kindred ailments due to poisons in the blood, all go, the skin clears, pimples and boils are absorbed and pass out through the proper waste channels. Every package is guaranteed so you can prove it easily. Good for children and adults. All druggists, five per sealed tube. Get Sulphur Tablets (not sulphur tablets).—Advt.
